Bimonthly List of Publications and Visuals

United States Department of Agriculture
Office of Governmental and Public Affairs

July 1981 Publications Received During May-June

BULLETIN OF THE MONTH

How to Buy Economically: A Food Buyer's Guide
Home and Garden Bulletin No. 235

This new publication gives pointers on how to buy meat, poultry, fruit, vegetables, and dairy products more economically. Also outlined are tips on cutting, meat price comparison, and crop availability.

NOTE: Single copies of publications other than those listed **FOR SALE ONLY** may be obtained free as long as the supply permits from the Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications. Remittances should be sent to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, except as otherwise noted.

FARMERS' BULLETINS

Johnsongrass as a Weed. (F 1537) 19.

This revised publication explains ways to control Johnsongrass, one of the ten worst weeds in the world. Detailed instructions are given for cultural control such as crop rotation, fallow plowing or disking, pasturing and mowing.

Growing Cauliflower and Broccoli. (F 2239) 15 p.

This slightly revised bulletin describes the varieties of cauliflower and broccoli and tells how to produce a successful crop. It explains procedures for planting, fertilizing, harvesting and packing these vegetables. Information on insects and diseases which attack and damage or destroy cauliflower and broccoli is also included.

Solar Heating For Brooding Chickens. (F 2272) 12 p.

This bulletin gives plans for an experimental solar heating system for brooding and growing broiler chickens. Recommended material, storage media and building site requirements are discussed as are the advantages and disadvantages of solar heating.

S

HOME AND GARDEN BULLETINS

Growing Camellias. (G 86) 12. $1.75.

This slightly revised bulletin describes three species of camellias in general cultivation in the United States, and discusses how to select, plant, and care for these shrubs. Information on ways to protect the plants against insects and diseases is also included.

Growing Peonies. (G 126) 11 p.

Peonies are hardy perennial plants. They need little care and live through severe winters. This slight revision tells how peonies grow, how to buy, plant, and care for them.

Growing Tomatoes in the Home Garden. (G 180) 13 p. $1.00.

This slight revision tells how to choose tomato varieties; suggests best time and location for planting seeds or seedlings; and gives directions for seeding, transplanting, care, and harvesting of tomatoes.

How to Buy Economically: A Food Buyers Guide. (G 235) 27 p.
